● Profile

- Helpful, creative, intellectual, logical/analytical, studious, organized, thorough.

● I first began IT in 1997 when I started my website Silverlingo.com. From 2001 to 2009 I worked as a System Administrator in diverse instances, I specialize in Windows Clients. Since then, I have worked as a Webmaster, Web Designer and/or Web Developer on 20+ websites. I have also done projects such as 2D/3D graphics design, translation, editing, published 7 books plus more at my website, made art, music and a humor film. My passion is writing in genres such as sci-fi, fantasy, humor, poetry, philosophy and politics.
